

This Month's News

November

A Happy FIRST birthday to Natalie this month on November 17! We can't believe a whole year has passed! She will soon have some new playmates that will join her in the baby room - Trinity and Ashlynn!

The children will be creating leaf placemats, making some hand print turkeys and maybe use some of the many pine cones on the playground to create a turkey! They will also help make a "surprise" bulletin board this month!

Exploration activities will include some cooking activities with Jeri. We will once again make peanut butter play dough! It was a big hit last time. In addition, the children will get to "shake up" their own pudding and make pudding pops for snack! We also plan on having a Thanksgiving Feast to celebrate friendships!

Children will be listening to and singing songs from some of their favorite CD's - Worms in the Bread and Bugs for Lunch! Our stories will include Inside a Barn in the Country and Caps, Hats, Socks, and Mittens and many others.

** We will be going out as much as possible with the nice fall weather and our new playground. Please remember to bring appropriate outdoor wear or an extra blanket so your child is comfortable outside. *It's not too early for mittens!* Come join us any time!

Happy Thanksgiving Everyone!!
