

This Month's News

September

We can't believe how fast the summer went! We had so much fun and the younger children are missing their "big" friends that are now in school.

Fall is going to bring lots of new fun and excitement! We are proud to welcome Gretta Birkeland to our Koala-T-Kare Crew! She will be a welcome addition to our awesome bunch.

Eventually we will have three groups:

Infants, 0 - 1 ½ (The Parrots - they copy everything you say) will be with Jeri

Toddlers, 1 ½ - 3 (The Little 'Roo's because they're so busy and bouncing all over the place!) will be with Val

Older children, 3 and up (The Wallaby's - fun and playful) will be with Sue.

We will combine groups for now until more children are enrolled. The age range for groups may also change as more children arrive.

Apples and leaves will be a main focus for the month of September. We'll start to look for fall things - some leaves, acorn, pine cone, which we'll sort and group. We may even create our own tree using the leaves we find!

Art projects will include making leaf placemats, apple trees, and an apple puzzle. We'll also do some apple print painting and hopefully get to make some applesauce!

Songs for September are Johnny Appleseed and the Fall Song, and stories will include I See a Leaf and Apples and Pumpkins.

Please remember to bring appropriate dress or an extra blanket if you want your child to go outside. We will be going out as much as possible with the nice fall weather and our new playground. Come join us any time!
