

This Month's News

Little Bunnies:

We have big news: Ashlynn has officially graduated to the Parrots! We are sad to see her go, but know that is time for her to move onto bigger, more exciting things. We are also happy to announce that our friend Ben now comes everyday to play with us!

Remember to bring those sunhats, sun block, and light jackets; we go outside as much as possible. Be sure to let us know of any changes in your child's dietary or sleeping schedules and if you are planning on taking any summer vacations. Have a great and safe start to the summer!

Love, Tammy

Parrots:

The Parrots would like to welcome Ashlynn and Ms. Linda to our class! This is a very exciting time for our class, as we are busy learning new independent skills, ranging from crawling, walking, self-feeding, dressing and undressing, manners, art techniques, and of course talking! We are making every effort to stay clean but may come home dirtier than before. Please send in an old T-shirt that we can use as an art smock.

Thanks, Sandy

Lil' Roo's:

The Lil' Roo's would like to welcome Jackson to the class! We are excited to have another boy join our already energized group. This month we will have weekly units on birds, Father's Day, animals and bugs. Currently, we are focusing on numbers, colors, shapes, animal sounds, and most importantly outside fun! Please remember to switch out winter extra clothes for summer extra clothes. Also, look for spring progress reports in your child's file folder. If you have any questions regarding the progress report feel free to talk to me at any time or schedule a private conference time. Hope you all enjoy the beginnings of summer ☺!

Love, Laura
