

This Month's News

March

We have a new Little Bunny named Sean starting the first week of March! He will be coming part time and the children are excited about having a new baby coming to Koala-T-Kare.

The Parrots are happy to welcome Julianna and also Gretta to their group - (Gretta thought she belonged there anyway)! Julianna will also be turning one this month! Jeri will be creating some "little lamb" art projects to welcome in March. The girls will also get to take more walks, so don't forget those snowsuits!

Another addition to the Little Roos was Ben S. who started with us part time on Valentine's Day! Karsten really missed Ben when he wasn't here, as well as his friends Dash and Cruz. The Roos may start some planting projects and make rainy day mobiles this month. They will also be talking about weather, shamrocks, rainbows, kites and of course - Easter!

The Little Roos would like to welcome Laura who will be their new teacher! Laura has worked with 2's and 3's before, so she's ready for lots of fun!

We will be having a special meal on St. Patrick's Day, which will consist of all green foods. Green Eggs and Ham will be a topic for conversation! Watch for us in the afternoon - you may see us hunting for shamrocks!

Our excitement lately has been with the 3 squirrels that keep eating the bird food outside the windows. All the children love to watch them and it elicits many discussions ranging from "Can we pet them?" to "I saw that squirrel at the zoo and he scratched me and he bit me when I tried to pet him." (That was Cruz's comment). Never a dull moment in daycare.....

**Once again - a reminder that we do try to get outside whenever possible, so continue to bring outside gear for your children. Thanks!
