

This Month's News

Little Bunnies:

We welcome new bunnies- Beatrice on May 1st and Maggie on May 12th this month. We are very happy to announce that Jeri (from the Parrots) will be joining Tammy and working with the Little Bunnies. We will have a new teacher named Sandy who will be working with our Parrots.

We have some fun facts: Ashlynn and Trevor are both sitting up and rolling over. Trinity can hold her own bottle all by herself. Sean is big enough to go in the excer-saucer. Ben T. is adjusting well and we look forward to him coming more in the future. Remember those sun hats, light jackets, and soon, sun block!

Parrots:

The Parrots are looking forward to the arrival of their new teacher Sandy. She will be joining our team on May 5th! They also want to wish Saige a belated first birthday (April 26th) Happy Birthday Saige! This month the Parrots will continue to learn more words and expand their speech skills. They will continue to take daily stroller rides and short walks (for those who are walking☺). The Parrots will also be working on special Mother's Day gifts in the upcoming weeks.

Lil' Roo's:

The Lil' Roo's have enjoyed studying their April themes, especially spring and plants. They are really enjoying watching their little green bean plants grow! In May, we will be discussing the themes of Mother's Day, May Flowers, and Fruits and Vegetables. We will continue to enjoy our warmer weather with walks and outdoor play on our playground. If your child needs sun block, please bring it in as soon as possible. I also encourage all parents to check their child's file daily for daily sheets, letters home, and past art projects.
