

## JUNE NEWS

**Baby Chicks:** We welcome Connor and Brooklyn as the newest members to our room! Katelyn learned how to roll onto her tummy and back, Nathan has learned that he loves to jump in the jumparoo, Matthew is sitting up and playing with toys, and Autumn is really moving around, sideways and backwards. We are so happy to have Tammy back with us now. We recently received a new sleep CD called "Sounds of Silence" from Suzi. The babies really seem to like it. They have been taking longer naps! Summer is FINALLY coming, remember those sunhats and sunblock! Thanks!

**Penguins:** This month we congratulated Sean on his move to the Parrot Room. The Penguins have been enjoying our new schedule and all the new toys to play with. We are also looking forward to being outside more. Please remember to bring in sunscreen. Also, please remember now that we are all walkers and moving around we need walking shoes every day! This month we will be celebrating how much we love our dad's! Enjoy the nice weather!

**Parrots:** The Parrots are excited for the summer to finally be here! We are also happy to welcome Sean, who joined us from the Penguins! We are looking forward to learning about different animals, which will be followed by a fieldtrip to the zoo!

**Peacocks:** June is going to be a fun filled month for us! We can't wait to spend lots more time outside, at the park, and hopefully on some fieldtrips! Please also make sure your child has an extra set of clothes and good walking shoes! We miss Katya but she will be back in July after a mini summer off! We will also miss Sammy when he leaves us in the middle of June! We want to wish all our Dads a Happy Father's Day on June 21<sup>st</sup>.

**Owls:** Welcome summer! The Owls have been focusing on our writing skills this past month and will continue letter and number writing through the summer. In June our weekly themes will coincide with the school agers; who start on June 15<sup>th</sup>. Going Green, Animals, and 4<sup>th</sup> of July are our first three weekly summer themes. Also, our field trips will start this month as well. If staffing allows, we will be attending the field trips with the school agers this month to Olbrich Gardens and Henry Vilas Zoo!
