

May News

Baby Chicks- First of all we want to wish you a Happy Mother's Day on May 10th. We can't forget to acknowledge how much we love our mommies! We sadly have to say goodbye to Mara who left us in April. We only hope that she may come back some day! Linc also left our room to become a Penguin! He is doing great but we sure do miss him! We will welcome Conner to our room later this month. Please remember that we do try to get outside so bring in sun hats and jackets for those cooler windy days. Also, sunscreen if your child is older than 6 months as the sun is warm sometimes even when it doesn't seem that warm outside! We also have some exciting updates: Matthew is sitting up all by himself, Autumn is almost crawling, Katelyn is sitting up in the saucer, Nathan is working on "tummy time" and we are all having fun cooing and telling each other stories! We hope spring is finally here and we can enjoy our walks again!

Love- Ms. Jeri and Ms. Tammy

Penguins- Spring is here and the Penguins are excited! We will be outside daily so please make sure that sunscreen permission slips are signed and the sunscreen is at the center (we cannot share with friends). The Penguins are sad to say goodbye to William as he moved over to the Parrot room and also goodbye to Ms. Linda as she will be joining the Peacocks group with Ms. Caren. We welcomed Linc from the Baby Chicks and look forward to having Ms. Cassie as a co-teacher with Ms. Sandy! Remember that we are getting more independent everyday which means that we get really messy often. Please feel free to dress your child for comfort and avoid "special" outfits at KTK as sometimes they are hard to keep clean! May is a time to appreciate all of the love and special memories that moms make for their children from the Penguins and we want you to know how much we appreciate your love and support and most of all, dedication to your children and teachers... Happy Mothers Day!!

Love- Ms. Sandy and Ms. Linda

Parrots-We have some fun changes in the Parrot room! William has joined our room from the Penguins and is adapting well! He sadly said goodbye to Nash and Saige as they moved to the Peacock room! We are excited to see the warmer weather coming which means we will be getting outside A LOT! If you haven't done so already please bring in sunscreen soon. Lots of our friends are excited to be starting to use the potty! YAY! We are also going to be working on our "highly secretive" Mother's Day projects soon! Happy Spring!!

Love- Mr. Charley

Peacocks-We have had many changes in the Peacock room! We sadly said goodbye to Nevaeh as she joined the Owls class. We welcomed Nash and Saige from the Parrots and Ms. Linda will be joining us from the Penguins to help with our growing class. Please make sure we all have sunscreen, extra clothes, and a good pair of walking shoes (not sandals or slip-ons) as we take long walks daily! We are looking forward to the warmer weather and spending LOTS of time outside!! We are continuing to work on using Please/ Thank You, having good manners, and have also started learning our colors and shapes! Have a wonderful Mothers Day!!!

Love- Ms. Caren

Owls- This past month we welcomed Nevaeh over to our preschool room and we are all enjoying having another Owl friend! This month we will be studying Mothers Day, flowers, fruits & vegetables, and everyone's favorite- BUGS! I have just begun spring progress reports so look for them in your child's file soon! This will be our last curriculum heavy month before summer! We are looking forward to all the fun field trips with the Eagles!

Love- Miss. Laura

Just a reminder to please keep it slow when driving in the parking lot as there are always parents dropping off and picking up their children! Thanks!
